As a creator, producer, and performer, Mic Mell plays Funk, Electronic, Hip Hop, Reggae, Rock, Dub, Experimental/Leftfield, Jazz, and he actively seeks out projects that expand his musical vocabulary. Mic believes that the expression of his life experiences are not limited by genre, and he strives to create music that is not easily pigeonholed. He plays keys, bass, raps, and sings a bit, and has an uncanny knack for manipulating samples and sequencing. He is an artist and business development coach, seminar speaker, web radio show host, and freelance writer.
